If for any reason and you are not able to come at you scheduled time please let us know so we can get a replacement. We will give you a reminder card to put on your refrigerator. Please choose where and what time you would like to volunteer.

Parking Shuttle: This person will drive fair visitors to and from their car.

Entry Gate: One Person will charge the entry fee. A second person will count first time guests. A third will count returning guests.

Information: One Person will give booklet to visitor and ask them to take and fill out a survey sheet before they leave today. They will explain that in order to be in the special drawing, they need to fill out the survey sheet. A second person will fill and pass out balloons.

Exhibit Hall: This person will help to relieve volunteers that work for Jan and help out where ever needed. You walk a lot, so wear comfy shoes.

Greeter: This is new this year. This person will be alone waiting for visitors and will direct them to current performances or games or demonstrations etc. This person will probably be standing most of the time.

So please, look over the times and let us know where and when you can help.
